QUICK RELEASE PLASTIC KNOB DETENT PIN

Positioners with ball and spring

Materials:

- (1) Reinforced polyamide. Resistant to oils and greases.
- (2) Stainless steel (Aisi 303).

Surface finish:

- (1) Satin.
- (2) Turned.

Colour:

- (1) Black (RAL 9011).
- (2) Natural.

Inserts:

- (4) Galvanised steel spring.
- (3) Stainless steel balls (Aisi 440C).
- (2) Turned stem with hole for spring and ball.

Attention:

- > Two retaining balls are mounted in a stem with diameter equal to or greater than 10mm.
- > We recommend making the hole for the stem with tolerance H11.

Special Requests:

None.
